STUDY IN VLADIVOSTOK

This East Asian city with a European lifestyle has amazed its visitors. Vladivostok city was designed by German architects at the turn of the XIX–XX centuries and its cuisine unites a bright mix of Russian, Asian, European and American traditional and modern dishes.

WHY VLADIVOSTOK?

- Sunny coastal city surrounded by sloping mountains landscape
- One of Russia’s political centers
- One of the most popular tourist destinations in East Asia
- Venue for international forums

FAQ

Does FEFU offer PhD programs?	Yes, it depends on the desired major.
How can I visit the University?	You can apply for FEFU short-term educational programs, summer or winter schools to get acquainted with our academic and research facilities.
What is the language of instruction at FEFU?	FEFU offers programs in Russian and English.
Is it possible to work during a full-time study at FEFU?	It is possible, some students are employed by FEFU and other institutions located on campus. Working off campus requires a work permit.
How can I receive medical services at FEFU?	Upon arrival at FEFU Campus, you are obliged to get your medical insurance. As soon as you pay the fee, you will be able to receive relevant services in Russia. Another option is to visit private hospitals in the city of Vladivostok.
I study in a foreign university, can I transfer to FEFU for the second, third, or fourth year?	Unfortunately, no, however, you may apply for short-term educational or exchange programs for 1–2 semesters.
Can I live on the FEFU campus with my family?	FEFU provides accommodation in student dormitories only for university students, yet all guests can enjoy their stay at the FEFU Hotel Complex nearby.
Can I pay my tuition fees in instalments?	You can pay your tuition fees in two separate instalments. The first part (50%) must be paid before the start of the studies in order to be enrolled. The second part must be paid before the beginning of the next semester.
